PLEASANT GREEN CHURCH NEWS

(BY MARY B. BARBOUR)

The services throughout the day last Sunday were conducted by the pastor. Strong and able sermons were preached. Rev. Offutt is a forceful speaker and efficient minister in every way. The day was very much enjoyed.

The Sunday-school was largely attended and enjoyed a beautiful message from the pastor. He spoke of the necessity of a continued increase in the school's attendance; also of each member making himself a missionary to better its condition and bring in new members. The banner still remains with the second Bible class, Miss Whaley teacher, though the fight continues among the other classes, some of them hope to land it soon.

The B. Y. P. U. services were beautifully conducted by the president. The discussion was opened by Deacon Hayes, concluded by the pastor. The president spoke of the trip to Nicholasville last week and the feasibility of having them visit us at an early date. On next Sunday the discussion will be opened by Deacon Lee and the general manager, Bro. Junius Logan. Mrs. Marshall Lee will read a paper on the lesson. The questions will be on regeneration. At the close of the services Bro. J. W. Miller charmed the audience with a beautiful solo, which was very much enjoyed.

The officers of the Union met Tuesday evening after the rehearsal of the junior choir for the purpose of formulating plans for increasing both interest and attendance of Union, and also to arrange for entertaining the B. Y. P. U. of the First Baptist Church, Nicholasville, Ky.

The pastor and Rev. S. P. Young left Tuesday for Frankfort to represent the church in the General Association, in session there this week.

On last Thursday evening, the 8th, at 7:30, a special car under the auspices of the B. Y. P. U., leaving on board a large number of members and guests, made a delightful trip to the charming little hamlet of Nicholasville, Ky. We were met on our arrival by the pastor, Rev. J. W. Million, and some of his members and escorted to their beautiful new church, where we were most cordially welcomed and delightfully entertained. Their program was very instructive, setting forth their method of conducting their Union, which is indeed one of the best in the State. Their ideal song service is quite an inspiration. Our Union was ably represented by the following officers: G. E. Canady, James Frost, S. B. Hayes, E. L. Cunningham and G. C. Barbour. Mrs. Maria L. Blackburn spoke in behalf of the Main Street Baptist Church, this city. After the program we were invited to Samarian Hall, where delicious refreshments of ices and cakes were served.

The pleasing hospitality of these Christian friends will long be remembered. They have promised to visit us, and we are preparing to entertain them at an early date.
